YOU'LL NEVER WALK ALONE

When you walk through a storm,
Hold your head up high
And don't be afraid of the dark.

At the end of a storm is a golden sky,
And the sweet silver song of a lark.

Walk on through the wind,
Walk on through the rain,
Though your dreams be tossed and blown.

Walk on, walk on, with hope in your heart,
And you'll never walk alone,
You'll never walk alone.

Dedication

The Class of 1959, wishes to dedicate this yearbook to our Director of Nursing, Miss Charlotte B. Reynolds.

Our three years together have been a rewarding experience in that we have witnessed many advancements in the ideals of our chosen profession.

You have been a guiding light to us with your warm smile, understanding, and friendly manner. We hope that you will always be as proud of us as we are of you.

Our appreciation cannot be expressed in mere words but we hope that through the dedication of our yearbook, you will know that you have a special place in our hearts.

Our Advisors

To our advisors who have shared with us our ups and downs, and have given time and attention to our many problems; we thank you for your support and loyalty.

A NURSE'S PRAYER

The world grows brighter year by year
Because some Nurse in her little sphere
Puts on her apron, and smiles and sings
And keeps on doing the same old things;
Taking the temperatures, giving pills
To remedy mankind's numerous ills.
Feeding the babies, answering the bells,
Being polite with a heart that rebels,
Longing for home and all the while
Wearing the same professional smile.
Blessing the new born baby's first breath,
Closing the eyes that are stilled in death.

Taking the blame for all mistakes,
Oh! dear, what a lot of patience it takes.
Going off duty at seven o'clock
Tired, discouraged and ready to drop.
But called out to help at seven fifteen;
With woe in her heart that must not be seen
Morning and evening, noon and night,
Just doing it over, hoping it's right.
When we report off, to cross the bar,
Dear Lord, will you give us just one little star
To wear on the cap of our uniform new,
In the world above where the Head Nurse is You?
